Helping Hands in Our Community

The Pearl FRC

A pearl begins as a grain of sand inside an oyster's shell. Over time, protective layers form around the grain of sand building a beautiful and unique pearl. Raise & Shine's The Pearl Family Resource Center fosters community resiliency through quality family engagement, mentoring families on how to build their protective layers.

During the COVID-19 pandemic, many FRCs have shifted their services and office hours. There are many supportive services offered by FRCs for pandemic relief.

Please call your local FRC to find out how we can help you! (Phone numbers listed on back).
